FOREWORD

Micro Small and Medium Enterprises Development Institute, Cuttack , a field office of Micro Small and Medium Enterprises Development Organisation, Ministry of Micro, Small and Medium Enterprises, Government of India, plays an important role for the promotion and development of micro, small and medium enterprises in the state of Odisha. This Institute provides techno-economic and managerial services in the field of economics, statistics, glass & ceramics, mechanical, electrical & electronics, chemical & food, leather & hosiery to the micro, small and medium enterprises to improve their productivity and quality of product, promoting marketing and export including training facilities to the educated unemployed youths & in guiding them in setting up of new enterprises.

Every year this Institute conducts different programmes in dispersed locations in the state to fulfill the need of prospective entrepreneurs to enable them to set up enterprises and also to keep the existing units functioning in an effective manner. Micro and Small scale units are small in terms of investment, production but play vital role in country's economy by providing large-scale employment. The MSME sector contributes a significant percentage of industrial production as well as in earning foreign exchange for the country by exporting various products manufactured in this sector.

Keeping in mind the overall growth of this vital sector of the economy, this Institute conducted various programmes starting from motivating the educated unemployed youths to providing the training and handholding support to become self-employed by starting some enterprise, and in providing support to the existing units to continue to function in an up to date manner. This Institute has tried its level best to cover the nook and corner of the state by conducting different programmes for the educated unemployed youths with special emphasis to cover more number of beneficiaries from weaker sections. In this connection, this Institute has organized 111 One Day Industrial Motivational Campaigns(IMCs), 39 Entrepreneurship Development Programmes(EDPs), 89 Entrepreneurship-cum-Skill Development Programmes(ESDPs) and 26 Management Development Programmes(MDPs) under Action Plan and Special Programmes on Sensitization Programme on Intellectual Property Rights(IPRs(1 No.)), Two Days Workshop on IPRs(1 No.), Seminar on Bar-Code(15 Nos.) under NMCP Schemes etc for the benefit of existing and prospective entrepreneurs of the state.

There is a growing importance of this sector as it works as ancillary to various large industries by fulfilling the requirement and also to economise the product cost. Keeping this in mind, this Institute has also organized two National Level Vendor Development Programme-cum-Industrial Exhibition at Cuttack and Balasore and 16 State Level Vendor Development Programmes including Business to Business (B2B) Meets and One-to-One Interaction Meets at different locations for the benefit of the MSME sector in the state.

This Institute has also prepared technical reports to disseminate information among the MSME entrepreneurs to get acquainted with the latest technology available and suitable for controlling waste and conserving energy. This Institute has undertaken District Industrial Potentiality Survey Profiles of six districts of the state by incorporating therein relevant information which would enable the entrepreneurs to select a product for setting up of such industries in the state. Common Facility Centres have been

functioning to render value based services to the MSME entrepreneurs either in job work or in providing technical assistance and product development work. This Institute has also worked for rehabilitation of sick MSME units. In the present context of more emphasis on development of industries through cluster approach work, this Institute co-ordinated the development and progress of the Automobile Cluster at Bhubaneswar and the Rice Mill Cluster of Balasore.

This Institute has undertaken concerted efforts for promotion of flagship schemes including NMCP schemes such as Bar Code, ISO 9000, TEQUP, Marketing Assistance & Technology Upgradation (MATU), Business Incubator etc., In this regard, various awareness programmes have been organized for scheme promotion at different locations of the state for the benefit of MSME sector.

This Institute with a team of dedicated manpower is working with commitment and providing time bound and continually improving techno-economic managerial services and training facilities as a policy decision of Development Commissioner (MSME), Ministry of MSME, Government of India, New Delhi to enhance the satisfaction of existing and prospective entrepreneurs with an objective to accelerate the promotion and development of MSME sector to compete globally and to ensure self-employment in this state. The significant features of this Institute is that a large number of prospective and existing entrepreneurs have shown their keen interest for the reports as well as project profiles (updated and new) prepared by the officers of this Institute.

I am pleased to record my appreciation for Sh. Sachidananda Dash, Asst. Director (E.I) of this Institute for his concerted effort to bring out this Annual Report 2013-14 incorporating various activities and functions of this Institute on different aspects in a systematic way. I am sure, entrepreneurs, professionals attached to promotional agencies, financial and other training Institutes would certainly get the desired information from this report.

CHAPTER – II

ACTION PLAN ACTIVITIES OF MSMEDI, CUTTACK DURING THE YEAR 2013- 14 **DETAILED REPORT**

1) Odisha State Industrial Profile

Odisha State Industrial Profile was prepared/ updated once in a year up to 2003-04. As per the guidelines of O/o DC (MSME), New Delhi this report is being prepared/updated in every alternative year from 2005-2006. The current issue of Odisha State Industrial Profile has been updated under Action Plan 2013-14. The next issue will be brought out during 2015-16 for the benefit of the MSME entrepreneurs. The report works like a manual to the entrepreneurs, promotional agencies, financial institutions including banks, academic institutions and researchers as a stock of information/data on various aspects like availability of natural resources, raw materials, human resources, financial assistance, technical services including infrastructure facilities and scope of setting up new industries, role of promotional agencies and incentives given and schemes operated, growth of MSMEs, its pattern and other relevant information of the state are systematically incorporated in the report. The broad objective of preparation of this report is

- i) To analyze the availability of human and material resources in the state
- ii) To assess the infrastructural facilities available to plan for industrial development
- iii) To evaluate the progress of industrialization achieved so far in the state depending upon the available resources and infrastructure.
- iv) To explore the scope of setting up of units in the MSME Sector.
- v) Role of promotional agencies and Financial Institutions in promoting MSMEs.
- vi) Schemes and incentives given for promotion and development of MSMEs.

2) District Industrial Potentiality Survey Profiles

During the year 2012-13 as per the instructions issued by O/o DC(MSME), New Delhi, this Institute has prepared Brief District Industrial Potentiality Survey Profiles of all the thirty districts of the state with a focus on the following aspects viz; physical and geographical features, availability of natural, human resources and the present status of industrial development as well as availability of infrastructural facilities for further industrial development in the district & scope of new industries. In the year 2013-4 as previously prepared, District Industrial Potentiality Survey Report of 06 districts has been prepared and this report has been undertaken with the following objectives.

- To explore the natural and human resources and skill.
- To assess the available infrastructure for industrial development.
- To evaluate the existing industrial activities of the district, utilizing the resources and also catering to the local demand.

- To identify some of the viable projects in MSME sector which can come up in the district in the ensuing years based upon the locally available surplus resources and the demand factor. The Table below reflects the districts covered for potential survey during last five years.

5) Entrepreneurship Development Programme (EDPs)

Micro, Small and Medium Enterprises Development Institute, Cuttack along with its branches at Rayagada & Rourkela have conducted 39 Entrepreneurship Development Programmes (EDPs) for the benefit of the educated unemployed youths. These programmes were spread out in both urban and rural areas including the backward and KBK region of the state to extend the benefit to the educated unemployed youth for self-employment. Besides, this Institute has conducted some Specialized EDPs for women and other weaker sections of the Society.

The objectives of conducting such EDPs are to promote entrepreneurship among various target group of society by imparting practical training & demonstration to develop skill, management ability as well as to get acquainted with the latest information on the item and procedures related to setting up of MSME units to enable them to become self-employed and create employment opportunities for others.

a) Entrepreneurship Development Programmes(EDPs) for Weaker Sections

39 EDPs were conducted out of which 33 EDPs were specially designed for the weaker sections and women and the remaining six were organized for the General youths. In these EDPs, the procedure for setting up of enterprises were taught in detail to the trainees by the experts drawn from different promotional agencies, bankers etc. of the state. An amount of Rs.14,650 /- was collected as course fees from the participants.

The Candidates and Revenue per programme has been diminished during the year due to the fact that this Institute has taken efforts to spread out the message of entrepreneurship in the nook and corner of the state as well as special care has been taken to bring weaker section of the society in to the fold of entrepreneurship by giving some financial concession in terms of course fees.

8) Follow-up of Training Programmes by MSMEDI, Cuttack

Last year MSME Development Institute, Cuttack prepared a Directory of Successful entrepreneurs/ex-trainees of this Institute (Two volumes (200 nos.)) and this year also this Institute is going to publish a Directory of Successful Entrepreneurs. Constant follow-up has been undertaken after training to sort out the problems of the ex-trainees in the process of setting up of their units. The ex-trainees and prospective entrepreneurs have been provided all sorts of assistance/guidance like selection of item, issue of provisional registration, availability of raw material, supplier of machineries and also facilities with regard to finance etc.

9) Assistance/Consultancy to Prospective and Existing Entrepreneurs

This Institute along with its Branch Institutes at Rourkela and Rayagada have extended assistance to the prospective & existing entrepreneurs in the process to set up their units by providing training, technical consultancy/counseling, including selection of item, location, technology, availability of raw materials, supplier of machinery, market prospects, preparation of project profiles, economic information and data, viability of the project, etc. A total of 1784 persons have been given consultancy and 991 persons were provided with project profiles during 2013-14.

23) Ancillary Development Activities/Organization of National Level Vendor Development Programme-cum-Industrial Exhibition and Marketing Support

In the State of Odisha there are good number of public sector undertakings and medium & large scale industries functioning which has created the scope for the promotion of Ancillary and down stream Industries in the state. So these industries need regular attention for their survival by fulfilling the requirement of mother plants. In an endeavour to promote ancillarisation this Institute had organized some programmes and extended collaboration/co-operation dispatched by others, rendered consultancy and assistance to ancillary units for Quality improvement and diversification. This Institute also provided marketing support to assist the SMEs for registration with PSUs/Defence/Railways as vendors. The briefs of the ancillary development activities of this Institute during 2013-14 are as follows-

BRIEF OF THE NATIONAL LEVEL VENDOR DEVELOPMENT PROGRAMME-CUM- INDUSTRIAL EXHIBITION & BUYER - SELLER INTERACTION MEET, "ENTREPRISE – ODISHA – 2013 " ORGANISED AT BALIYATRA GROUND CUTTACK FROM 20 - 23RD OCT,2013.

MSME Development Institute, Ministry of MSME, Government of India, Cuttack in association with MSME Department, Government of Odisha, Central Tool Room and Training Center, Bhubaneswar and Orissa Industries Association, Jagatpur, Cuttack has organized a 4 days National Level Vendor Development Programme cum Industrial Exhibition & Buyer-Seller Interaction meet, " ENTERPRISE ODISHA-2013" held at Baliyatra Ground (Killa Maidan), Cuttack from 20th to 23rd October, 2013. The Objective of the programme was to focuses on the following areas:

- To bring buyers and sellers together on common platform for forging business tie-ups for mutual benefit.
- To understand each other's capabilities, capacities and technical competency level by way of displaying products and interaction.
- To showcase the technology levels and the quality aspects of products
- To identify prospective vendors to help in achieving the 20 % annual procurement target as envisaged in New Government Procurement Policy under MSMED Act 2006.
- To develop typical components and indigenize, for import substitutes

The programme was inaugurated by **Dr. Damodar Rout, Hon'ble Minister of MSME & Health and Family Welfare, Government of Odisha** by lighting the ceremonial lamp. In his inaugural address he emphasised on the need of optimum utilising of States Mineral resources for the growth of the State by developing MSME Sector in this Sector. He highlighted various initiatives and policy measures under taken by the State Government, especially new Food Mission policy, he advised the entrepreneurs and Association to take advantage of these measures for the growth of MSME Sector and also advised all the Stake holders and Promotional Organisation to cooperate and support the State Governments endeavour. Speaking on the ancillarisation and Vendor Development Issues, he told that at present there are 243

large and public sector undertaking functioning in the state besides around 11Lakh Micro, Small and Medium units. Government of Odisha is providing land, water, raw material and other infrastructural facilities for setting up of mother plants as per the MOUs signed with them, but these mother plants are not providing whole hearted support for ancillary development of MSMEs as promised by them, as a result of which the MSMEs of the state are lagging behind in comparison to states like Punjab, Karnatak, Maharastra, Andhra Pradesh etc. He also told that support should be spontaneously emanated from the large and public sector undertaking towards MSMEs as they co-exist. There is also a need of entrepreneurship to explore the opportunities provided by both Central and State Government. Zero inventory control is the goal of just-in-time inventory management which can reduce the cost of products by adopting new technology, methodology, machinery etc, which is the need of the hour.

Sri Panchanan Dash,ISS, Secretary,MSME,Govt. Of Odisha, in his presidential address highlighted various initiatives taken by MSME department for the inclusive growth of MSME sector. New State Govt procurement Policy, Food Policy and Rationalising VAT and other Taxes some of the measures taken up by the State Government to boost the Growth of MSME Sector. He emphasized on the need of co-existence of Large Industries and MSMEs. He advised CMDs/CEOs of all the PSUs and Large Industries to have a consideration of the MSME Sector in the procurement and give priority to local MSMEs, similarly he emphasised on the need of change in attitude towards cash crunch MSMEs. He complimented the Organisers for organising this type of Exhibitions and interaction meets as marketing tool, which will be essential for the growth and Development of MSME sector.

Sri Abani Kanungo, President, Orissa Industries Association, Jagatpur, highlighted the importance of MSME Sector as the engine for economic development of a country and emphasise on the need of implementation of new procurement policy for the growth of MSEs. At the outset **Shri P.K Gupta Dy.Director Incharge, MSMEI, Cuttack** welcomed all the dignitaries on the Dias, audience, MSME Entrepreneurs, senior executive, Press and briefed about the aim and objective of the programme. He also hoped that there will be a good deliberation between the PSUs/ Large Industries and MSMEs during these three days and business tie will be made after interaction with each other.

28) National Awards to MSMEs – 2012 & Complements to Entrepreneurs for their Achievements and Glory to Odisha

Like every year, this year also this Institute coordinated 6 different categories of National Award to MSMEs, 2011 (i) Outstanding Entrepreneurship (Manufacturing) (ii) Outstanding Entrepreneurship (service) (iii) Quality Products in certain selected product groups(10 nos.), (iv) R & D Efforts in MSME Sector and (v) Innovative Efforts in Process/Products, (vi) Lean Manufacturing Techniques. In this connection, correspondence had been made by this office to all GM, DICs (31 nos), all leading industries associations(16 nos) and to about 82 eligible MSME units of the state to apply for such awards. Apart from this, wide publicity has been given in different print and electronic media of the state to encourage and motivate the eligible MSME units to apply for six categories of awards. The debut *National Award -2012 for*

Lean Manufacturing Techniques in Small Enterprise has been conferred to M/s Jagdamba Polymers (P) Ltd., 25 & 25A, Ganeshwarpur Industrial Estate, Balasore- 756 019. The unit manufactures plastic moulded furniture products, plastic house-ware, kitchenware and PET performs by adopting all the LM techniques such as 5S system, SOP, ERP, Poka-Yoke besides ISO 9001/14000 and Barcode system. This is a great honour to Odisha and its entrepreneur fraternity which are proud to uphold the spirit in the coming years. This award not only brought glory to the state of Odisha but would **also be** inspiring examples for the SMEs of the state.

The details are reflected in the table below :

National Award -2012 for Lean Manufacturing Techniques in Small Enterprises to M/s Jagdamba Polymers (P) Ltd., Balasore

Ministry of MSME, Government of India has launched various schemes to enhance competitiveness of MSMEs including Lean Manufacturing scheme. The objective of Lean Manufacturing scheme is to enhance the manufacturing competitiveness of MSMEs through the application of various Lean Manufacturing Techniques, thereby reducing waste, increasing productivity, introducing innovative practices and imbibing a culture of continuous improvement. Therefore, for the first time the Ministry has introduced *National Award -2012 for Lean Manufacturing Techniques in Micro, Small & Medium Enterprises*.

The rigorous method of selection includes the 1st level scrutiny and physical verification of the EM-II registered eligible enterprise jointly by officials from MSME-Development Institute, Cuttack, and officials

from concerned District Industries Centre (DIC). Then the applications would be placed before the State Level Selection Committee (SLSC) headed by Secretary, Dept. of MSME, Govt. of Odisha and finally the National Level Selection Committee (NLSC) headed by Addl. Secretary & Development Commissioner (MSME), Ministry of MSME, Govt. of India would finalize the list of winners.

The debut *National Award -2012 for Lean Manufacturing Techniques in Small Enterprise* has been conferred to M/s Jagdamba Polymers (P) Ltd., 25 & 25A, Ganeshwarpur Industrial Estate, Balasore- 756 019. The unit manufactures plastic moulded furniture products, plastic house-ware, kitchenware and PET performs by adopting all the LM techniques such as 5S system, SOP, ERP, Poka-Yoke besides ISO 9001/14000 and Barcode system. This is a great honour to Odisha and its entrepreneur fraternity which are proud to uphold the spirit in the coming years. The Award consists of a cash prize of Rs.1,00,000/- besides a Certificate and a Trophy which was handed over to Shri Chandra Prakash Bhartia the owner of the enterprise by Hon'ble Prime Minister of India Dr.Manmohan Singh on 1st March, 2014 at Plenary Hall, Vigyan Bhawan, New Delhi. A commerce graduate with a degree in production management Shri Bhartia has also won the National Award in the year 2005 & 2009 for Outstanding Entrepreneurship along with National Energy Conservation Award in 2011.

29) Submission of Monthly Progress Report

As a part of the Action Plan activities, this office is entrusted with the task of sending the MPRs to O/o DC (MSME), New Delhi by stipulated date every month. During the year 2013-14, this Institute has dispatched all the MPRs (12 nos.) within the stipulated date for information of the Headquarters office.

30) All India Status Report and Technology Study Reports

This office has been assigned by O/o DC (MSME), New Delhi to prepare status reports and technology study reports of various segment of industries. These reports give the detailed picture on the functioning of the particular industry in the state. During the year, this Institute has prepared the following status reports & technology study reports under Action Plan 2013-14:

I. All India Status Reports

1. Cable and Conductor Industries
2. UPS and Voltage stabilizer

II. Technology Study Reports

1. Electro Chemical Machining
2. Technical Monograph on Mahua: A potential Tree for Micro Enterprise development in forest areas of Odisha

III. Data Bank on Mechanical Products

1. Data Bank on Trolley manufacturers in Odisha
2. Data Bank on Steel Almirah manufacturers in Odisha
3. Data Bank on Nuts and Bolts manufacturers in Odisha

4. Data Bank on Welded Wire Mesh and Wire Net manufacturers in Odisha.
5. Data Bank of Air Cooling Unit Manufacturers of Odisha

31) Assistance to weaker Section of the Society through different programmes

As per the policy decision of the Government of India for the upliftment of the weaker section of the society, this Institute has paid adequate attention in encouraging them to undertake activities in the small scale sector through different training and other programmes organized during the year 2013-14. The weaker section comprises women, scheduled caste, scheduled tribe and physically handicapped members including Minority Communities. The training programmes were organized with the objective to provide them techno-economic and managerial inputs besides practical training to develop the skills in setting up of their ventures.

A total no. of 10,620 candidates were trained in EDPs, ESDPs, MDPs & Skill Development Courses out of which 3065 women, 4007 SC, 3477 ST, 6 PH and 72 Minorities. Besides, the officers of this Institute rendered technical assistance to existing and prospective entrepreneurs at their unit premises and at this office.

Table- 23

Assistance to Weaker section of the society through different programmes during 2013-14

Sl. No.	Name of the programme	Candidates Assisted/Trained						Total
		SC	ST	PH	Women	Minority	General	
1.	EDP (39)	279	316	1	337	3	210	808
2.	ESDP(89)	774	729	3	506	0	361	1,864
3.	MDP (26)	215	232	0	213	0	627	1,074
4.	SDP	9	4				22	35
Total		1,277	1,281	4	1,056	3	1,220	3,781

It may be mentioned here that in an Industrial backward state like Odisha, there is a good and encouraging response to different programmes conducted by this Institute in general. The weaker sections of the society are coming forward in these activities. This Institute is trying its level best to accommodate more candidates from weaker section as per the criteria fixed by the Government.

Officers of this Institute attended different Task Force Meetings of DICs in connection with PMEGP schemes and given emphasis for the preference of weaker section of the society for getting benefits under the scheme.

32) MSMEDO Officers Training

CHAPTER – IV

REVIVAL OF SICK MSME UNITS

41) Revival of Sick MSME Units

The MSME units are facing a rough weather in the state due to growing sickness in the sector. There are many inter related factors both externally and internally making the units sick. From January 1981, the Govt. of Odisha formulated the policy to grant assistance to sick small-scale units as an important part of the Industrial Policy. Through various IPRs (selected), including IPR – 2007, Government of Odisha has also taken note of extending revival assistance to sick MSME units. These are known as IPR benefits to sick MSME units like sales tax exemption both on purchase of raw materials & sale of finished goods, octroi exemption, exemption of electricity duty & other statutory duties like state investment subsidy, soft loan, sales tax loan etc. The financial institutions are also making some sacrifice by relaxing outstanding dues, waiving interest etc. From the central government side assistance like MMA, NEF, SLA through the state Govt. are also given. The workshop of this office located at Khapuria have been extending the service to many units in the process of their revival by doing job work, developing products.

42) Role of MSME Development Institute, Cuttack in Revival of Sick MSME Units

At present there is a three-tier system to discuss and finalise the cases for revitalization of sick MSME units. These are as follows:

- i) District Level Committee (DLC)**
- ii) Sub-committee of the State Level Inter Institutional Committee (Sub-SLIIC)**
- iii) The State-Level Inter Institutional Committee (SLIIC)**

The District Level Committee has been entrusted with the task of receiving applications from the MSME units claiming to have gone sick. It examines the cases on a prima facie basis after undertaking quick studies at grass root level and recommends to the Sub-Committee of SLIIC for revival. The DLC is constituted under the Chairmanship of GM, DIC and other members of the committee are Branch Manager, OSFC – Branch Manager of concerned bank and representative from other organizations.

At the Sub-Committee of SLIIC Level the MSME Development Institute, Cuttack is the member convener of the sub-committee. The sub-committee of the SLIIC constitutes the core committee of the system and has been entrusted with the vital function of examining the cases referred by the DLC with professional expertise. The sub-committee is constituted with the membership of the Managing Director, OSIC, Director, EPM, Deputy Chief Officer, RPCD of Reserve Bank of India and the representatives of financing banks under the Chairmanship of Director of Industries, Government of Odisha and Director, MSME Development Institute, Cuttack as Member-convener. MSME Development Institute, Cuttack receives the applications and the report after duly scrutinized by the District Level Committee, undertakes appraisals for determining the suitability of the cases as per norms, co-ordinates the action of the members for further appraisal and devising package of assistance for the revival of the units as per norms. The MSME Development Institute, Cuttack prepares Desk Study Report on each of the eligible cases embodying the quintessence of information and decisions in respect of the unit and pilot the deliberations for each case and recommends to the State Level Inter Institutional Committee for approval for giving various assistances for revival.

The State Level Inter Institutional Committee (SLIIC) is the apex body to deal with matters of sickness and flow of credit to MSME sector and related matters. The sick unit cases recommended by the Sub-Committee are finally approved by SLIIC and it also formulate/changes policies with regard to the revival of sick MSMEs. Secretary InCharge of Industries, Government of Odisha is the Chairman of the Committee and RBI State Office is the convener.

As a member of the committee and member convener of the Sub-committee, the MSME Development Institute, Cuttack feeds information while decisions are taken in respect of cases as well as participate in the deliberations in taking decision by the Committee. During 2013-14, Deputy Director(Incharge) of this Institute have participated SLIIC Meetings organized by RBI 21/05/2013,03/09/2013,10/12/2013 and on 11/03/2014 for revival of sick MSMEs.

Relief and Concessions extended

The following reliefs, concessions and facilities are generally extended to potentially viable sick MSEs under rehabilitation. (1) Sanction of margin money assistance to sick MSE units which is financed by the Central and State Government, (2) Sanction of soft loan assistance to sick MSE units with concessional rate of interest & (3) Benefits and concession offered under Industrial Policies of Government of Odisha in deserving cases.

Any other concessions which the participating Departments, State Government can suitably offer.
